

## Central Minnesota APICS Puts Finishing Touches on 2008/09 & 2009/10 Strategic Plans

The main focus of the January 20, 2009 Board of Directors (BOD) meeting was the finalizing of the 2008/2009 and 2009/2010 strategic plans. The Chapter's strategic plan had been in development for three months. The full BOD had met several times on the plan and a three person strategic planning sub-group reviewed all BOD inputs and compiled a final draft for approval.

**Strategic Planning Sub-group – Chapter President Darrell Watercott (Gold 'n Plump), Past Presidents Marjorie LaTour (RT Enterprises) and Preeth John (Venture Allies)**

The entire BOD will make a final review of the goals and key performance indicators (KPIs) and submit any further changes to the three person sub-group. This will complete the strategic planning process for this and the next program year.
